ABOUT US

At CargoNXT, we redefine the logistics conference experience, beyond sessions and stages, by fostering a space where ideas meet impact, connections are meaningful, and recognition stays relevant. We bring together cargo and logistics professionals, tech innovators, and policy thought leaders in a future-focused environment designed to elevate knowledge sharing far beyond presentations, through collaboration, conversation, and community.

THEME:

Driving India's Logistics Journey Towards Viksit Bharat@2047

OVERVIEW

CargoNXT Conference & Recognitions' 4th Edition – Logistics & SCM Summit, will convene India's logistics and supply chain leaders this September in Delhi for a transformative day of dialogue and direction. Under the theme "Driving India's Logistics Journey Towards Viksit Bharat@2047," the summit will unite stakeholders across air, sea, rail, and road logistics. The event promises high-impact conversations and actionable takeaways, with a gathering of 75+ CXOs, 30+ expert speakers, and 200+ industry delegates. The summit will conclude with the CargoNXT Recognitions, celebrating industry excellence, followed by a gala evening of networking and future-focused celebration.
